The second annual beanhole supper was held Saturday at the Ski Lodge at Chisholm Winter Park, Rumford. Over 400 were served.

A trailer truck loaded with broilers tipped over on Route 26 near Oxford last Thursday. Harry C. Farrington, 19, of

ZONING BOARD OF APPEALS GRANT VARIANCES

At a meeting of the Bethel Zoning Board of Appeals on Monday evening two variances of the Zoning Ordinances were approved.

The Bethel Library Association was granted permission to erect an addition to their Broad Street building closer to the lot line than permitted by the ordinance.

Arnold K. Brown was given the right to erect a garage on property on the east side of the Middle Intervale Road. This property is zoned as residential-farming.

LOCKE MILLS P.O. IN NEW BUILDING

The Post Office in Locke Mills opened Tuesday morning in a new location. The office is in a new building just south of the Town Hall on Route 26.

It is on a site formerly occupied by a blacksmith shop. The property was purchased by Lester Bickford of Locke Mills early this year. Razing of the shop and construction of the new building has been done by him. The building has been leased for use as a post office for a five-year period.

This post office serves the Locke Mills section of Greenwood, where patrons are near enough to pick up their mail.

Rural service for other parts of the town originates in Bryant Pond, West Paris and Bethel.

The new structure is a two-story and white one-story building, its interior being well-lighted and decorated in turquoise and beige. A front entrance for customers and a rear one for mail trucks will ease a congested situation.

Malcolm Packard, who has been working at the third class post office several months was recently confirmed as postmaster. He previously was an employee of Ekco-Tebbens. A resident of Locke Mills several years, he and Mrs. Packard and their five children live on the Bird Hill Road.

Mrs. Constance Blanchard of Locke Mills is his assistant.

Mr. and Mrs. James Hutchins, David and Susan, spent the week end with relatives in Bucksport.

Dr. and Mrs. J. W. Trinward, Steve, John, Nancy and Kevin, spent the week end with Mr. and Mrs. Carleton Quinn, and family, in Nashua, N. H. On Saturday, Dr. Trinward and his sons attended the Red Sox game in Boston.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

The tax bills have been out about two weeks and the payments for the two weeks amount to \$27,638.03. This is slightly over 10% of the total commitment. That leaves about 90% to be paid in the next three months. The bulk of the taxes are paid during the month of December. Smaller amounts will be paid in October and November.

There are no active welfare cases in town at present but there are six cases that have a settlement on Bethel but live in other towns. There are two cases that have a settlement on others towns and live in Bethel. The most difficult part of the local welfare laws in Maine is the administering of cases that have a settlement on one town and live in another town.

The town purchased a new pick-up truck last week. The old truck gave the town good service but needed quite a lot of repairs before winter. As most people know, the truck rental account was completely expended last year after the purchase of the new loader. There should be quite a sizeable amount in the account at the end of this year. Next year the town will have to start replacing some of the other equipment.

The Town Road Improvement on the Flat Road is nearly completed. The winter salt has been ordered and the first carload should be shipped this week. The same amount of salt was ordered as the town has used for the last few years. The price is also the same as last year.

COUNTY REPUBLICAN COMMITTEE TO MEET AT SOUTH PARIS OCT. 9

The Oxford County Republican Committee will meet Wednesday, October 9, at the County Court House in South Paris at 8 p. m.

This special meeting is being held at the request of Gov. John H. Reed to choose several persons qualified for the interim position of Oxford County Commissioner, to fill the vacancy caused by the recent death of John McKeen. The appointment will be made by the Governor from those names submitted. The person appointed will remain in office until January 1, 1965. The balance of Mr. McKeen's six year term will be completed by a winning candidate in the November 1964 elections.

All persons interested in an interim appointment to the office of Oxford County Commissioner are requested to submit a letter stating their qualifications, to the Secretary of the Oxford County Republican Committee, E. Louise Lincoln, Bethel. They are further requested to be present at the aforementioned meeting in South Paris.

Sixteen members of Bethel Troop No. 565 left yesterday afternoon for an overnight camping trip to Crocker Pond camp ground. They were accompanied by Stanley Davis, Sonny Blake and Howard Gunther.

Gould Parents' Day, Chamber of Commerce to Meet Bingham Hall Dedication Saturday

Gould Academy will mark another annual Parents' Day on Saturday, October 5. The newest building on campus, Bingham Hall, will be dedicated the same day. Saturday's program is as follows:

9:30-11:30—Girls' Athletic Events, Athletic Fields

11:30-1:15 — Barbecue Luncheon, Alumni Field (Farnsworth Field House if weather requires)

1:30—Dedication of Bingham Hall, Presiding: Sidney W. Davidson, LL.D., chairman of the Board of Trustees.

Speakers: Samuel Proger, M. D., President of Bingham Associates Fund, and of Pratt Clinic-New England Center Hospital, Boston. The Honorable Frances P. Bolton, member of Congress, 22nd District of Ohio.

Prayer of Dedication: The Reverend David N. Beach, Rector, The Community Church, West Dennis, Mass.; Rector Emeritus, First Church of Christ, New Haven, Conn.

2:30—Football, Gould vs. Old Orchard High School, Alumni Field.

During half-time, Gould's cross-country team will hold a meet with Oxford Mills.

NEW BOOKS AT BETHEL LIBRARY

"The Living Reed," by Pearl Buck. This is a historical novel of Korea from the late 19th century to the present time.

"Forgotten Pioneer," by Harry Golden. is the history of the early pack-peddlers among whom were the ancestors of Gimbel and Marshall Field.

"The Light of Day," by Eric Ambler, is a reasonably interesting and fast-paced tale of skullduggery in the Balkans.

Young People:

"Rod's Girl," by H. H. Carr. This novel "has suspense, drama, love and characters you would find in any small town."

"Quest of the Otter," by Christopher Webb, authentically pictures the drama of a whaling ship on a voyage to the South Seas and recreates stirring adventures that will never again be known by man or boy.

Juniors: "You and the World Around You," by Selsam. "In simple yet vivid language, this unique book introduces very young boys and girls to the world of nature in such a way as to make them feel right at home as a part of it."

Easy: "Peter's Pony," by Kingman.

Roy B. Newton, son of Mr. and Mrs. Burton Newton, West Bethel, is enrolled in the freshman class at Leicester Junior College where he will major in business administration. He was graduated from Gould Academy in 1962 and later attended Maine Central Institute, Pittsfield.

The first fall meeting of the Bethel Chamber of Commerce will be held in the dining room of the West Parish Congregational Church, next Tuesday evening, October 8, with supper being served at 6:30. The business of the evening will start about 7:30. Any Chamber members not able to be at the supper are urged to attend the later session of the business meeting.

The business and program of the evening will concern itself with the recommended proposals of reorganization. At the last meeting of the Chamber before closing its operations for the summer months, a study committee was authorized to gather information and formulate suggested plans that would make the Chamber of Commerce a more effective organization than it is.

The study committee, consisting of Norman Greig, Richard Bryant, Addison Saunders,

Sumner Burgess, Guy Putler, Dr. John Trinward, Earlon Paine and the president, Rev. Clifford Laws, began meeting in August. Once a week this committee met for discussion and planning. Some of the committee members have visited and talked with other Chambers who operate in communities similar to Bethel, to find out what a Chamber of Commerce should be doing. Other committee members have studied constitutions and by-laws in order to see what recommendations for change could be suggested to the local group.

The results of the study committee's findings will be put before the Chamber at this first fall meeting for airing. What is decided can be important for the Chamber and the community. It is hoped that all members of the Chamber of Commerce will plan to attend the supper and meeting on Tuesday, Oct. 8.

PLAYERS' PRODUCTION PLANS SOON TO FINALIZE

The Bethel Players met Tuesday evening at the home of Liddell Thompson. Emily Saunders was appointed new president to replace Ethel Robertson who resigned and will be moving out of town.

Since David Thompson has agreed to play one of the important parts in the play, a new director, Jafar Muraz, was appointed. Mr. Muraz, who has been a regular summer visitor to Bethel for the past 20 years, is now making his home at the Hapgood Farm on the Songo Pond road, Bethel. Before his retirement last April, Mr. Muraz was associated with the Bendix Corp., Teterboro, N. J., and he has directed amateur productions in New Jersey for the past 20 years. He saw "You Can't Take It With You" on Broadway several times and met one of the writers. He considers it one of his favorite plays.

Mr. Muraz will meet with the casting committee, David Thompson and Emily Saunders to make final casting arrangements. It is expected that the complete cast will be announced by next week and rehearsals will begin.

Supporting committees appointed were as follows:

Finance: Louise Lincoln, chairman, and Barbara Bryant. Publicity: Rosabelle Tift, chairman, Elizabeth Smith and Bettyann Hastings.

Costumes: David Thompson, chairman, Sue Farrar and Martha Sweatt.

Make-up: Irma Thompson, chairman, and Liddell Thompson.

Property manager: Judy Haskell with Jan Stowell and Barbara Brown.

Further committees will be selected and announced later.

The next meeting will be held on October 15 at the home of Mr. and Mrs. David Thompson. Bettyann Hastings and Pat Hudson will be on the refreshment committee.

Anyone interested in volunteering their services in helping on any committee are welcome and urged to attend this meeting.

A government for the people must depend for its success on the intelligence, the morality, the justice, and the interest of the people themselves.—Grover Cleveland.

COUNTY POMONA MEETS

Bear Mountain Grange, South Waterford was host to 78 at the October 1st meeting of Oxford Pomona Grange which was preceded by a supper.

To be Dedicated Saturday

Gould's Bingham Hall

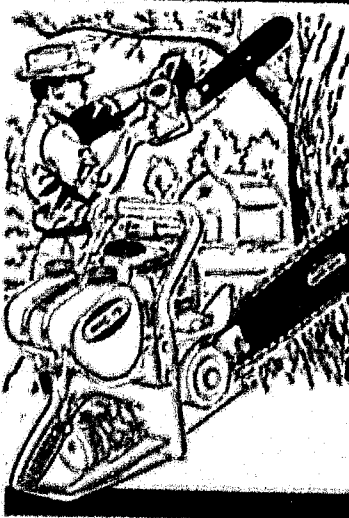

More than 1,200 students, their parents, alumni and other invited guests from the state of Maine and other sections of the country are expected to attend the dedication of Bingham Hall at Gould Academy on Saturday, Oct. 5. It has been announced by the school's Board of Trustees.

The building is named for the late humanitarian and philanthropist, William Bingham, 2nd. Mr. Bingham was born in Cleveland, but came to live in Bethel in 1911 and remained as a resident until his death in 1955. The building is a tribute to his memory and the dedication program will highlight his contributions to Gould Academy during the 46 years that he was a resident of Bethel and the 38 years he was a trustee of the school.

"The fact that in 1960 Gould Academy was the only secondary school in the State of Maine to have received accreditation for a ten-year period by the State Department of Education attests to its high scholastic standing," said Sidney W. Davidson of New York, chairman of the Board of Gould Academy and a trustee of the estate of Mr. Bingham, who will preside at the dedication ceremonies. "The school's present scholastic rating and its outstanding physical plant are the result in large measure of Mr. Bingham's generosity and vision during his lifetime. It seems fitting that members of his family have joined with the trustees of the charitable trusts which he est-

the auditorium include a stage complete with backdrops, curtains, lights, a motion picture screen, a projection room which also provides controls for stereophonic music, and a Hammond electronic organ. In the basement of the auditorium are music practicing rooms, dressing rooms and storage areas. A section of the new building also includes a seminar classroom, the alumni office and the faculty lounge.

The renovated section of the original gymnasium which was given to the school by Mr. Bingham in 1922, now includes completely remodeled indoor athletic facilities for girls, with a fully equipped gymnasium, a posture-corrective room, athletic offices and modern locker rooms. Also included in this renovated area is a steam plant which is capable of serving the entire school.

The architectural plans for the new building and the renovation of the adjoining structure were provided by the firms of Chapman, Evans & Delehanty and Steinmann, Cain & White. Construction was done by the firm of Barr & Barr, Inc. Landscape architecture was under the direction of Clarke & Rapuano. Thomas L. Moore of Steinmann, Cain & White was responsible for the interior design of the buildings.

The lobby of Bingham Hall includes a mural surveying the history of Gould from its founding in 1836. It was painted in oil by Willard W. Cummings, a founder of the Skowhegan School of Painting and Sculpture, and a leader in assembling the great collection of State of Maine art now on exhibition at Colby College.

The day's program includes a series of girls athletic events starting at 9:30 a. m. The dedication ceremonies are scheduled to begin at 1:15 p. m. Following completion of these ceremonies, the Gould Academy football team will meet Old Orchard High School on Alumni Field.

SENIOR CITIZENS

The October meeting of the Senior Citizens of Bethel will be held at the Norseman Inn on Route 26, Tuesday, October 8, at 10:30 in the morning.

The guest speaker will be Harry E. Reynolds, Superintendent of Parks and Recreation of Auburn. Mr. Reynolds has been active throughout the State in organizing senior citizen groups. He has pointed out that while Maine communities are lagging behind in the organization of senior citizen groups, many sections of the country are coming to realize that these groups fill a very

important gap in today's community life.

Mr. Reynolds is a New York native. He is a graduate of Cortland State College, N. Y., and holds a master's degree in recreation from Elmira College, N. Y. Prior to coming to Maine, Mr. Reynolds spent two years in Montpelier, Vt., where he was active in similar work.

This meeting will be very important in helping toward future plans and it is hoped that every member will make a special effort to be present.

REPORT TO MAINE

from Senator Edmund Muskie
The commercial fishing industry of the United States is in the midst of a difficult period. Back in the heyday of the whaling industry, New England fishermen roamed the seven seas. As late as 1956, the United States ranked second to Japan as a fishing nation. In 1961, we followed not only Japan, but also Peru, Red China, and the Soviet Union. While our national fish catch has not increased since 1940, our fisheries imports have increased approximately 400%.

What is the cause of this decline in the fortunes of our fisheries industry? The causes are clear and obvious— inadequate fisheries research and an antiquated fishing fleet, coupled with competition from low-wage, subsidized foreign fishing industries. While foreign fishermen utilize modern, well-equipped "factory" ships heavily subsidized by their government, New England fishermen continued to use inefficient trawlers many of which are 20 years old or more.

American fishermen by law can only purchase American-built vessels. The high cost is often prohibitive even though the Government pays 25 1/2% of the cost. In the near future, the

CAPITOL COMMENTS

CONGRESSMAN

CLIFFORD C. MCINTIRE

MAINE, SECOND DISTRICT

Shall we or shall we not trade wheat with Russia? That is the current question.

We have the wheat—just about one billion bushels of it—and Russia, having suffered bad weather conditions, is confronted with a wheat shortage.

Interestingly enough, the consideration of a wheat trade deal with Russia comes upon the heels of America's approval of the A-Bomb Treaty, all of which suggests a willingness on the part of Administration officials to enter into broadened negotiations with Russia.

Of course, a relaxed American attitude on trade with Russia has been evidenced over the past many months. Our Secretary of Commerce has, for instance, been issuing export licenses on shipments of industrial machinery into Russia, this including such items as machine tools, equipment for a potash plant, paper mill equipment, etc.

And in further evidence of this relaxed American attitude, an Executive Order was issued a few months ago to lift the ban on the delivery of Communist mail in this country, thereby permitting this mail to flow through the American mails.

There are those who say that because Canada has just recently sold one-half billion dollars worth of wheat to Russia, there is every justification for America to take advantage of a similar outlet for our heavily-inventoried wheat holdings. We should remember, however, that Canada has sovereign authority in such matters and need not

REBEKAHS ELECT

The annual election of officers of Sunset Rebekah Lodge took place Monday evening, Sept. 16, with the election of the following: Noble Grand, Gwen Currier; Vice Grand, Mabel Anderson; Recording Secretary, Eugenia Haselton; Financial Secretary, Maud Hunt; Treasurer, Ida Packard; Trustee, Elsie Poore.

Installation will be Monday, October 7, with the work being done by District Deputy President Miriam Inman and Deputy Marshal Mary Hibler and their installing staff from West Paris.

BOY SCOUTS

Troop 555 of Bethel met last Thursday evening, Sept. 26, at the West Parish Congregational Church.

We opened the meeting with the Scout Oath, Scout Laws and the Pledge of Allegiance. Jimmy Perkins was elected Senior Patrol Leader and Tommy Davis elected Assistant Senior Patrol Leader. The troop split into groups for work on various badge requirements. It is requested that anyone having an old Boy Scout uniform no longer in use, please contact Ernest Perkins. We closed the meeting with the Scout Benediction — Jerry Gibbs, Troop Scribe.

Senate will consider legislation which would increase the government subsidy to 55% of construction costs. Passage of this legislation would be an important step forward in the modernization of our nation's fishing fleet.

Added emphasis on fisheries research is also urgently needed by our fishing industry. I have co-sponsored legislation which the Senate has passed, to provide funds to the individual states for the establishment of separate research programs. In Maine, these funds would be used for fisheries development as well as for marine plant, sealion, shrimp, and lobster research. Additional research and more modern vessels are two of the keys to the future success of our fishing industry. We in Congress can assist the industry, but basically, the fishing industry, must rise or fall on its ability and determination to resolve its own problems.

I know that Maine's fishing industry leaders have the ability. I hope that they possess the determination necessary to get the job done.

petition the approval of other countries for such trade.

There are also those who argue that because we have surplus wheat, we might well exchange it for some of the gold which Russia holds in considerable quantity. It is contended that this type of trade would improve our balance of payment situation.

This argument is further supported by the suggestion that world conditions today make the occasion ripe for a program of across-the-board co-operation between America and Russia, what with Russian having troubles on the outside with Communist China and inside with certain economic dislocations.

In all of this entertainment of enthusiasm, one thing constantly should be held in mind: Russia is not just another country but our principal opponent in an ideological struggle, the outcome of which will determine whether the peoples of the world will walk the face of the earth free or crawl on its surface as mere creatures of the State.

Furthermore, one must critically judge whether or not it is in the competence of the Russians to exercise good faith. And this should be weighed against the realization that it was only last year that the Russian Ambassador Gromyko sat next to President Kennedy in the White House and baldly lied that there were no offensive Russian weapons 90 miles off the United States shores in Cuba.

In addition, we have not heard Russia come forth to renounce its plans for world domination, nor any retraction of those undertaker words: "We will bury you." And wouldn't it be a good starting point to ease tensions between America and Russia by some action that would relieve the pressures that pulsate in Cuba and East Berlin?

Implicit to America's trade policy with Communist countries is a prohibition on strategic materials. One simple question, however, in the case of a wheat trade with Russia is this: What commodity can be more strategic than food, the very basis of all human life?

If we act to give wheat to the Communist living, would we not break faith with those American boys who are now dying in Viet Nam and with the thousands of young American lads who have already paid the supreme price in Korea? Would we not, in a similar respect, be breaking faith with the American taxpayer who has spent—and is spending—billions of dollars to control the communist menace that roves abroad?

An editorial in the Portland Press Herald of Sept. 23 contained the following words: "The free world, in its death struggle with Communism, may have more to fear from its materialists than from the Marxists in the enemy camp."

In this we must charge ourselves to remember how American scrap sold to Japan was flung back into the faces of our American lads in the last world war; we must ever be cautious lest we sell the soul of our country and its people for a piece of silver.

If we take this turn with Russia, is a seat in the United Nations and United States recognition of Red China next?

STATE CHAMBER OF COMMERCE TO MAKE ACHIEVEMENT AWARDS

Two pioneering Maine food processing firms will receive industrial achievement awards for 1963 from the Maine State Chamber of Commerce it has been announced by Paul B. Christensen, president of the State Chamber.

Snow Flake Canning Company, Brunswick, and Taterstate Frozen Foods, Washburn, will receive the awards. Presentation will be made, Christensen said, at the 74th annual dinner of the Maine State Chamber of Commerce at Car-

NEW TIME SCHEDULE AT WEST PARISH CHURCH

Beginning Sunday, October 6, the opening session of the Church School and the time of the Family Worship Service at the West Parish Congregational Church will be the same. Both, the Church School and the Church Service will move to the new time of 10:00 a. m.

This change of time and the plan for the simultaneous meeting of the Church School and of the Church for worship, has been in the thinking stage of various organizations of the church for some time. With the acquiring of a new classroom, removing the necessity of meeting in the church auditorium, the way seems clear to make the new venture.

Meeting at the same time, will offer parents an opportunity to attend church themselves while their children are in session at the Church School. In former times, parents brought their children to the church, waited for them or returned home until the church school was over, took them home again and in the transporting process, found little time to return to the church themselves for the worship service. Beginning Oct. 6, parents and their children can be at the church together and at the same time.

All parents who have children in the sub primary and primary grades will bring them to the Chapel where they will be by themselves as usual. Parents with children in the junior grades will be in church together. The junior classes will sit in assigned sections with their teachers and will be dismissed for classes during the early part of the worship service.

Parents are encouraged to participate in the family worship and everyone can help by being prompt. All sessions will begin at 10:00 a. m.

METHODIST CHURCH EDUCATION COMMISSION MEETS

The monthly meeting of the Commission on Education of the Methodist Church was held at the home of Mrs. Robert Clemmons, Sept. 30, with nine members present. The devotions were led by Mrs. Ronald Stevens.

Mrs. Alton Luxton is to be Cradle Roll Superintendent. Mrs. Robert Keniston and Mrs. Guy Parker, Jr., will teach the beginners' class, Stanley Davis is the high school class, and Stanley Brown the 7th and 8th grades.

It was mentioned that the parsonage should be notified if a fire is needed at the church.

Miss Minnie Wilson and Mrs. Sherman Greenleaf were appointed the committee to look into the possibilities for the missionary project for the Sunday School.

The fourth grade (Mrs. Gardner Gorman's class) is to meet in the dining room for the present so that the high school class can meet in the kitchen. All other classes are to meet in their usual places.

It was voted that there should be a representative from the M. Y. F. at Commission meetings. This would facilitate the coordination of the two groups. Mrs. Robert Clemmons is to talk with members of the MYF to see if they would like to put on a play at Christmas.

Teachers and Commission members are urged to attend the Workshop on Missionary Education in the Church School to be held at Auburn, Oct. 10.

The October meeting will be held at the home of Mrs. Arthur Lincoln. Mrs. Donald Brown is to have devotions.

boy, October 17. John L. Baxter will accept the award for Snow Flake and Harry Umphrey the Taterstate award.

In announcing the awards, Christensen reported that the firms had been selected in recognition of their pioneering efforts in the development of quick frozen french fried potatoes and for the continuing contributions they have made to the economy of the state of Maine. He cited the market that they have provided over the years for Maine's agricultural output, employment for Maine people, the taxes paid to state and local governments and their contributions to and participation in civic affairs of considerable benefit to the state.

20 SECONDS with the NAZARENE

Christ declared, "I stand at the door and knock." One of the great religious paintings of our day, Christ at Heart's Door by W. Sallman, pictures the Master standing without knocking at a door unusual in its appearance—it has no outside latch. He gains no entrance until the door is opened from within.

FAMED VIOLINIST TO APPEAR IN RUMFORD

The Rumford Rotary Club will sponsor Rubineff and his violin in a concert at the Abbott Auditorium in Stephens High School, Rumford, on Monday, Oct. 21, at 8:15 p. m.

The internationally famed concert artist will perform on behalf of a charity effort of the Rumford Rotary Club.

The program of favorites will include: "Warsaw Concerto," Chopin's "Polonaise," Debussy's "Clair de Lune" and Gershwin's "Rhapsody in Blue."

Tickets in the Bethel area may be purchased from Mrs. Richard Waldron.

ARCHER AND GILE IN RUMFORD CONCERT MONDAY

Frances Archer and Beverly Gile, famed for their renditions of folk music, will lead off the 1963-64 Rumford Community Concert Association series when they appear at the Stephens High School Auditorium Monday evening, Oct. 7.

These two ladies of song have developed their talents to satisfy people's desire for knowledge of other lands. Their repertoire is based on a groundwork of Anglo-American songs, but is spiced by numbers in such varied languages as Hawaiian, Russian, Chinese, Pueblo Indian and Yiddish. In all, they can sing in 20 different languages.

The demand for their concerts takes Archer and Gile through the United States and Canada for some 90 appearances each year, and their popularity was further verified on a recent tour of Europe. Appearances in Oslo, Copenhagen, Stockholm, Amsterdam, Frankfurt, Munich, Paris and London brought enthusiastic audience reactions and glowing press notices.

Miss Archer and Miss Gile are constantly trying to expand the horizons of the concert hall to include songs of people from all parts of the world—people who have suddenly become our very close neighbors.

Gould 14—Winthrop 6

Gould Academy won its second game in as many starts as Winthrop High was over-powered 14 to 6. The "Blue and Gold" eleven avenged a last year's defeat and virtually knocked Winthrop out of the running for the Class C championship.

The first Gould touchdown was set up by Dennis Wheeler, as he intercepted a Jeff Deblais pass and ran 40 yards. Jim Corriveau completed the advance with a one yard plunge to score, and then place-kicked the extra point. That was the only scoring in the first half, leaving the Huskies at that point with a 7-0 lead.

Neither team scored in the third period, but in the fourth period a recovered Rambler fumble on their own 41 yard line led to the winners second touchdown. The clincher came as Corriveau rounded his own right end for 15 yards to score. The placekick for the extra point was again good, and Gould led 14 to 0.

A Gould fumble on the WHS 45 yard line started the drive which resulted in Winthrop's only tally of the day.

Although Jeff Deblais connected for nine out of 15 passes, Gould intercepted three and on

many occasions threw the passes for a loss. One interception set up a Gould touchdown.

Mrs. Olive Davis, Cor.

Elaine Koskela, daughter of Mr. and Mrs. Taisto Koskela, was joined in marriage to Carter Lary Bean at the Baptist Church, Bryant Pond, Sunday at 2 o'clock. Many neighbors here attended the wedding. A reception followed the ceremony at the Grange Hall.

The rain Sunday was a much needed commodity although it spoiled trips around the mountains for fall sight-seers.

The graveling of the Curtis Hill Road which has been in charge of Don Mason has been completed. It's a big improvement over the other road and if it can be tarred to hold it before it washes out again it would save a lot of further labor and expense. Don has donated labor and bulldozing to the town to some extent to improve the road, which the town appreciates. He has widened the road just below Rock Maple Farm, where it drifted so badly last year, making a place to put the snow. A bulldozer had to be used to open the road after a big snowstorm and blow, costing the town a large sum of money. Then there was no place to put the next snow that fell. This will be a big help to those on the plows.

Mr. and Mrs. Maynard Fleming, Myrtle Thurlow, Wilma Hendrickson, Mr. and Mrs. Bino Heikkinen, Waino Heikkinen and Mr. and Mrs. Ellis Davis attended the wedding of Miss Elaine Koskela held at the Baptist Church in Bryant Pond, Sunday. Esther and Lorraine Davis also attended the wedding.

Leslie Bryant and Dannie Bryant took supper with Mr. and Mrs. Ellis Davis Friday night.

Olive Davis attended PTA at Bryant Pond Tuesday night. Mrs. May Andrews, the sixth grade teacher, also attended.

Does he offer ideas, if desired, in designing printed matter to meet your needs?

Does he have connections with specialists who will provide service in lines not economically produced in the ordinary printing plant?

If he can't do your work when and as you want it done, does he say so?

If you have or expect to have printing problems, why not call the Citizen Office — 824-2444?
